Staff

The personnel of Holy Cross Catholic School's After School Program consists of staff experienced in the development, care, and guidance of school-age children. The program is directed by the school principal and supervised by co-supervisor, Mrs. Shelly Jirak. Parents/Guardians with concerns about their children should feel free to contact the After School Program Supervisor or the HCCS Principal.

Procedures

One of the main features of the HCCS After School Program is safety for the children. To help ensure a safe and orderly program, please keep these rules in mind and follow them closely:

1. Parents/Guardians must sign children out, noting student name, time leaving, and parent/guardian signature, before taking them from the program. Students are not allowed to sign themselves out. Siblings that are 7th grade and above will be able to sign students out as long as they are on the pick up list.

2. Parent/Guardian must notify a staff member when taking child from the program. Students alone are not allowed to notify staff when leaving; contact with parent/guardian is mandatory.
3. Parent/Guardian must notify the school in advance if someone other than the parent/guardian or people on the pick up list, is to pick up their child(ren). This includes situations when the student goes home with a friend. Children are not permitted to call parent/guardian to make alternative after-school arrangements.
4. No child is permitted to leave the facility without permission from the After School Staff. In addition, children must get permission from staff before leaving the group for any reason (rest room, drink, get supplies, etc).
5. Emergency information must be filled out completely and kept up-to-date for each child. This gives staff the necessary guidance when seeking medical help. Parents/Guardians understand that if instructions given cannot be followed at the time of the emergency, program staff will act according to their best judgment for the welfare and safety of the child.

Discipline

The Holy Cross Catholic School After School Program is, an extension of the school program. Students participating in the program are expected to conduct themselves in accordance with established school behavior guidelines. As members of the HCCS community, all children are to show respect toward themselves, the staff, other students, program facilities and materials. If disciplinary action is needed, a uniform procedure will be followed:

1. Sitting-out (parents/guardians notified verbally).
2. Staff member(s) will counsel the child(ren) and may, based upon the situation, refer the child(ren) to the principal (parents/guardians notified verbally).
3. Serious/repetitive behavior problems may result in suspension or expulsion from the program. Before suspension or expulsion of a child from the After School Program, child(ren) and parent/guardian will conference with Program Supervisors and Principal. Suspension or expulsion of a child from the After School Program is at the discretion of the principal.

Since the HCCS After School Program exists to provide children with an enriching and safe environment for ALL students and staff, support of program guidelines is necessary from students, families and staff alike.
